

# RECYCLING SURVEY

## *“Go Green”*

I have used or continue to use the following Iowa Park-sponsored recycling programs:  
(Check all that apply)

- Used-Oil Recycling Facility (102 West Texas Avenue)
- Aluminum Can Drop-Off Facility (810 North Third Street)
- Mulch Pick-Up Location (613 West Highway)

Are there other recycling programs that you would be interested in participating within?

- Yes
- No

If you answered yes, please describe/list the type of program(s) you are interested in?

_____	_____
_____	_____
_____	_____
_____	_____

Would you be willing to pay a user fee for a specific recycling program that does not have the means to pay for its own operation?

- Yes
- No

**NOTE:** Completed and submitted surveys will be evaluated by the City Council and staff; the Council reserves the authority to add or delete recycling programs based on their use by the citizenry and/or the ability of the program to generate revenue to offset operational costs if such is warranted. The City doesn't own or operate a solid waste landfill therefore; the reduction of debris collected and disposed by its solid waste services provider will provide little to no compensation to offset recycling programs.
